

### **Demonstration Notice- September 15, 2011**

Spontaneous demonstrations take place in Bahrain from time to time in response to world events or local developments. United States citizens should keep current with media coverage of local events and be aware of their surroundings at all times. If you encounter a large public gathering or demonstration, depart the vicinity immediately.

**- On Friday, 16 September at 1630 hours, an authorized, potentially violent demonstration is planned in the vicinity of Tubli. This area (indicated in yellow on the maps below) will be off-limits to all Embassy personnel from 1500 hours on 16 September until 0600 hours on 17 September. U.S. citizens are strongly encouraged to avoid the area as well.**

**- On Saturday, 17 September at 1700 hours, an authorized demonstration is planned near Al-Henaniya in Riffa.**

We remind U.S. citizens that even demonstrations intended to be peaceful can turn confrontational and possibly escalate into violence. U.S. citizens are therefore urged to avoid the areas of demonstrations if possible, and to exercise caution if within the vicinity of any demonstrations.
